only in YORK

LIVE ICE CARVING
Parliament Street

On Parliament Street you can see Glacial Art work their magic as they craft a bewitching sculpture from scratch. Become a finer craftsman than Mister Geppetto by having a go on the Carving Wall yourself, and find out how soft the ice actually is.

MAGICAL MIDDLETONS

Middletons Hotel, Skeldergate

Middletons have created an enchanting realm in the grounds of the hotel. Fire pits will warm chilly bones and little ones in magic-inspired costume can claim a free hot chocolate. There'll also be owls, ales, shire horses, cinematic wizardry, and a chance to win tickets to the Making of Harry Potter Warner Brothers' Studio Tour.
